

Description A top-quality, premium grade slate from the northern border region of Maine and Canada. A full 1/4" thick, and smooth in texture, this dark grey slate is very similar in quality and appearance to the legendary Unfading Black formerly quarried in Monson, Maine.

Origin Quebec, Canada

Lengths (inches)	Widths (inches)	Exposure (3" Headlap, inches)
24	12	10.5
22	11, 12	9.5
20	10, 11, 12	8.5
18	9, 10, 11, 12	7.5
16	8, 9, 10, 12	6.5
14	7, 8, 9, 10, 12	5.5
12	6, 7, 8, 9, 10, 12	4.5

Thickness (inches)	Pounds per Square
Nominal 3/16	700–750
Nominal 1/4	850–950
Nominal 3/8	1200–1,300
3/16–3/8 Medium Texture	850–1,000

Please note that not all sizes are available in every thickness. Call for availability.
